

## Being Ready Practice 2

MC: Ok, ladies and gentlemen, I'd like to introduce Ron Downing to you. Ron is here to talk to you about BCD International. Ron..?

RON: Thank you, it's a pleasure to be here again. I have to say that last year's presentation was very successful indeed.

It resulted in 14 people being placed in our offices.

So, in total BCD now employs exactly 527 people worldwide, (highlight areas 2 and 3) and all with a variety of skills, which I shall talk about later.

OK. You probably want to know what business BCD is in and what it actually does.

BCD International is the second-largest computer software manufacturer in the world. (highlight areas 3 and 4)

And although it is widely considered to make the best quality product, other software companies always provide strong competition, and this means we need to continue employing the most highly-skilled people. So, what type of employees are we looking for?
